How We Will Calculate Your Balance: We use a method called “average daily balance (including new purchases).” See your account agreement for more details.

Expedite Delivery of Card: A fee of \$45 may be charged for expedited delivery of a Card at the time of request.

Loss of Introductory APR: We may end your introductory APR for purchases or balance transfers if your payment is over 30 days late during the applicable introductory rate period (i.e., initial 6 months or initial 12 months, respectively).

Periodic Rates: After any Introductory Rate period, or if an Introductory rate does not apply to your Account, the periodic rate for purchases will range from 0.0267% per day to 0.0575% per day which corresponds to an ANNUAL PERCENTAGE RATE ranging from 9.75% to 21%. The periodic rate for cash advances is 0.0575% per day with a corresponding annual percentage rate of 21%. Balance transfers will be considered purchases and will have the same periodic rate and corresponding annual percentage rate as purchases after the expiration of any introductory rate applicable to balance transfers. Balance transfers will be referred to as purchases for purposes of this disclosure.

Effective Date: This disclosure is effective as of August 01, 2016 and is subject to change after date listed.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.
