

QuickBooks for Mac Conversion Instructions

Web Connect

Introduction

As **Bellco Credit Union** completes its system conversion to **a new Online and Mobile Banking Experience**, you will need to modify your QuickBooks settings to ensure the smooth transition of your data.

To complete these instructions, you will need your User ID and Password for each Financial Institution.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose the **Help** menu and use the Search bar available at the top. Search for **Back Up** and follow the instructions on screen. The first time you do a backup, QuickBooks will guide you through setting backup preferences.
2. Download the latest QuickBooks Update. For instructions to download an update, choose **Help** menu and use the Search bar available at the top. Search for **Update QuickBooks**, select **Check for QuickBooks Updates** and follow the instructions.

Task 2: Match Downloaded Transactions

If new transactions were received from your connection, accept all new transactions into the appropriate registers.

If you need assistance matching transactions, choose the **Help** menu and use the Search bar available at the top. Search for **Updating Your Register**, select the article with that name and follow the instructions.

NOTE: All transactions must be matched or added to the register prior disconnecting your accounts.

Task 3: Disconnect your accounts at *Belco Credit Union* or *Belco Credit Union - Business* on or after *you upgrade*.

1. Choose **Lists** menu > **Chart of Accounts**.
2. Select the account you want to deactivate.
3. Choose **Edit** menu > **Edit Account**.
4. In the **Edit Account** window, click the **Online Settings** button.
5. In the **Online Account Information** window, choose **Not Enabled** from the **Download Transaction** list and click **Save**.
6. Click **OK** for any dialog boxes that may appear with the deactivation.
7. Repeat steps for each account to be disconnected.

Task 4: Reconnect your accounts at *Belco Credit Union - CO* on or after *you upgrade*.

1. To download your QuickBooks Web Connect file, log into Online Banking
2. Enter your credentials in the **Online Banking Member Login** area.
3. From your Online Banking dashboard, click on a specific account to view more details.
4. Click on the “Export Transactions” button located on the right portion of the details screen.
5. When prompted to choose an Export option, choose “QuickBooks” in the dropdown.
6. Save the file to your computer.

NOTE: Take note of the date you last had a successful connection in your QuickBooks account. If you have overlapping dates in the Web Connect download, you may end up with duplicate transactions.

7. In QuickBooks, click **File > File Import > Web Connect File**. Locate and select the Web Connect file to import.
8. If prompted for connectivity type, select Web Connect.
9. The **Account Association** window displays during setup. For each account you wish to download into QuickBooks, click **Select an Account** to choose the appropriate existing account register.

IMPORTANT: Do NOT select "New" under the action column.

10. Click **Continue**.
11. Click **OK** to any informational prompts.
12. Add or match all downloaded transactions in the **Downloaded Transactions** window.
13. Repeat steps for each account to be reconnected.
