

HOW TO MAKE A LOAN PAYMENT

ONLINE & MOBILE PAYMENTS (no lease or loan payoffs)

To make a payment from your Bellco deposit account, simply log in to your online account and transfer funds to your Bellco loan. You can also 'set it and forget it' by setting up a recurring transfer at your desired amount and frequency.

To make a payment from another financial institution, log in to your online account, select **Loan Payment**, then **Make a Loan Payment**, and follow the steps to pay by ACH or debit card. A convenience fee of \$3 will be assessed for that payment.
