BELLCO CREDIT UNION ENHANCES ONLINE BUSINESS BANKING

New Security Features Safeguard Financial Data and Transactions for Business Banking Accounts

GREENWOOD VILLAGE, Colo. (May 23, 2011) – [Bellco Credit Union](#) today announced new online security features and streamlined banking and reporting tools to support Bellco's more than 4700 business members. Over the past 12 months, online banking demand has increased 45 percent for Bellco business members as measured by transaction volume.

New online business banking functionality enables members to capitalize on 24/7 secure online access to manage their transactions, access historical and trend reports, and confidently upload financial and employee records without fear of data or identity theft.

"Bellco is dedicated to the financial success of our business banking customers and committed to implementing ongoing technology improvements that will provide members with the resources they need to manage their day-to-day financial transactions," said Jeff Barnes, director of business services for Bellco. "Ongoing enhancements to Bellco's online banking platform combine the power of the Internet with an expanded range of services to help business members spend their time where it's needed most – growing their business for the future."

Online business banking continues to offer the credit union members quick and easy, around-the-clock access to a full range of reporting tools and business banking services. Bellco's specific business banking services include:

- Account management, including account alerts and reporting
- Administration
- Bill payment and reporting
- Check imaging
- Compatibility with popular budgeting software
- eStatements
- Funds transfer
- Business credit card
- Business loans

In addition, Bellco members with business banking accounts may opt in to Business Online Banking Plus – a powerful cash management tool that allows them to manage the most complex of business finances, such as wire transfers, Automated Clearing House and payroll transactions, Zero-Balance Accounts for managing multiple accounts and account sweeps. These advanced features help businesses create even greater efficiencies in their financial management, including reduced paper handling, increased collection of receivables and greater overall staff productivity.

About Bellco Credit Union

Bellco is one of Colorado's largest credit unions, with nearly \$2 billion in assets, more than 350 employees and 15 branches in Colorado. Founded in 1936, Bellco offers a full range of financial products and services including auto loans, mortgages and checking accounts. Today, Bellco Credit Union has 193,000 members and more than 1,000 Select Employee Groups who offer credit union services to their employees. Member advantages include lower interest rates on loans and higher yields on savings, as well as access to thousands of surcharge-free ATMs. Bellco actively supports the community by donating funds and employee volunteer hours to many Denver-area and Grand Junction organizations.
